

# WEMOCARE

WEMO has a lot of knowledge and experience at its disposal. We would like to share that knowledge and experience with you. Then we speak the same language, look together at all innovative possibilities and as partners we will set ever higher standards. Our motivation is crisp and clear: that is how we want to do business together.

## PREVENTIVE MAINTENANCE

A long service life with as few breakdowns as possible.

## INSPECTION

A carefully conducted machine inspection gives an exact picture of the condition of your machine.

## UPGRADE & CONVERSION

Smart upgrade and conversion packages with which you can optimise your machine.

## WARRANTY EXTENSION

In order to optimise this warranty, we offer you a supplementary warranty extension.

## SPARE PARTS

Fast and expert delivery of our high quality machine parts.

## TRAINING & EDUCATION

Effective training for new employees will significantly increase the output and life of your machine.
